

# MOBERN

L I G H T I N G

## SERIES 41

### Mini Channel

Premium grade strip fixture. Available in a compact one light configuration especially suited for areas with minimal space requirements such as cove lighting, store fixture, signage, under cabinets, closets, display cases, vending machines and confined areas requiring illumination and ease of installation.

- Standard finish is white
- Optional white reflectors available
- Continuous row mounting capability
- Shallow design
- UL listed for damp location

#### CONSTRUCTION

Housing is die and brake formed from cold rolled steel. One piece folded construction. Finish is high reflectance baked white enamel. End caps may be butted together for continuous row mounting. Knockouts are provided for flexible conduit attachment.

#### SIZE W x L x H in inches (mm)

1.62W x 1.62"H

Fixture length = lamps length

# EZ-LED

#### EZ LED

The most economical, practical and user friendly series of LED fixtures with the energy savings, quality of light, long life and hassle-free maintenance. EZ LED fixtures are UL Listed with the latest LED T8 Bypass lamps. Fixtures provide over 44% energy savings over comparable fluorescent fixtures utilizing less expensive fixtures than the fluorescent version (no ballast required) and have flexibility to change wattage and color temperature any time. Fixture performance will evolve over time with the evolution of the T8 LED lamp technology. Concerned about maintenance with an LED array and driver fixture, EZ LED solves that by utilizing a self contained LED lamp that fits into fixture just like a fluorescent lamp.

#### Lamp Specifications:

Our T8 LED lamps are available in 2 or 4 ft sizes in different wattage, lumens and color temperature options. See lamp options and specs at [www.mobern.com/EZLEDLamps](http://www.mobern.com/EZLEDLamps).

50,000 Hour Life with 5 Year Warranty  
 Aluminum Base and Aluminum Housing with Glass Cover  
 Operating Temperature: - 20°C to 50°C  
 Color Temperature: 3500K, 4000K, 5000K  
 G13 Pins (Same as Fluorescent Linear T8 Bipin)  
 AC100 – 277V

#### Emergency Options:

The standard EZ LED Lamps require an inverter or an All-in-one emergency kit that includes LED array, battery and driver. Dimmable T8 LED with external driver works with standard LED EM it. See emergency options and specs at [www.mobern.com/EZLEDEmergency](http://www.mobern.com/EZLEDEmergency).

ITEM NO.	DESCRIPTION
41-117LEDL15W840	1.6 " 2 ft. Strip 1700 Lumen 1x15W LED T8 4000K Lamps Included
41-132LEDL15W840LUN	1.6 " 4 ft. Strip 1850 Lumen 1x15W LED T8 4000K Lamps Included

Change 40 to 35 etc. for different Kelvin. Change Lamp Wattage to 13W on 2FT

Mobern reserves the right to substitute our own UL DLC listed tubes.
