White Finish

### SPECIFICATIONS

Housing and end caps are die-formed from cold rolled steel. Finish is post chrome plated on housing and end caps. Diffuser is retained by a grooved formation running the length of the fixture and is held in place on both ends by screw fastened end caps for a clean look and for easy access to the fixture during maintenance. End caps may be removed for continuous row mounting with the use of optional contour band. Mounts over electrical junction box. Mounting holes are provided. Soft matte opal white acrylic diffuser provides an even illumination. Listed by and bears UL label.
