

APPLICATIONS

This all-in-one linear channel is new and improved to provide the easiest channel in the industry to specify, order and install. The AIOCSA can be surface, pendant, or recess mounted, and is available in 4' and 8' lengths which can be joined together seamlessly for multiple runs. This beautifully finished aluminum channel is so easy to install that the do-it-yourselfer or professional can complete it in minutes. It is ideal for general lighting in both commercial and residential applications for circulation spaces, high impact areas, over tables, kitchen islands, and home offices. The versatility and clean styling makes this an ideal choice in many applications.
