

### APPLICATIONS

This attractive, newly designed, heavy-duty bollard features full proof aluminum construction housing which provides corrosion and vandal resistance. A solid foundation withstands the elements, and the driver options work in even the worst weather conditions. These bollards are ideally suited for lighting pedestrian walkways, as well as accenting the exterior grounds of office and apartment buildings, hotels, and parks.

### FEATURES & BENEFITS

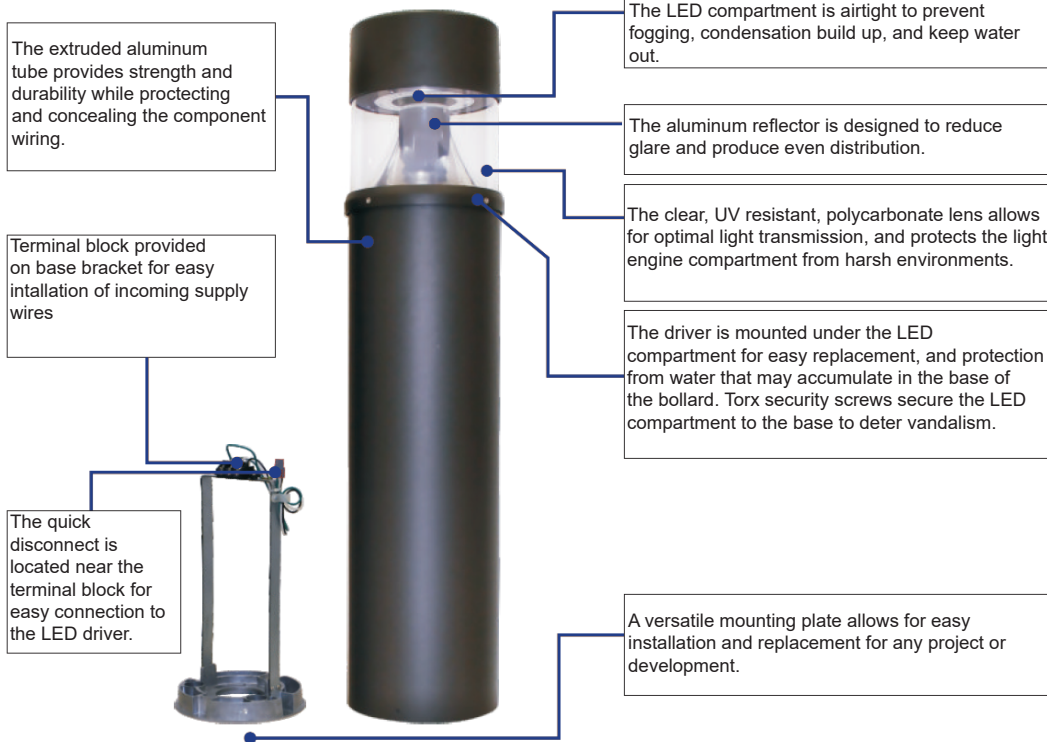

- ◆ Extruded aluminum alloy body with standard 4kV surge
- ◆ Impact resistant polycarbonate diffuser
- ◆ Type 5 distribution
- ◆ UV stabilized powder coated finish
- ◆ 5 year warranty
