

APPLICATIONS

Full body micro silhouette 2.5 inches (nominal) in diameter makes a bold statement with a minimal design in post-painted powder coated flat white finish (consult factory for other finishes). Snap Fit softly etched diffuser with small matched finish metal inserts to hide shadows and dark spots provides smooth, comfortable lighting and completes the clean appearance. Available for fluorescent and LED T8 lamps (with and without ballast) Fixtures can be surface mounted, on wall or ceiling, or pendant mounted. They can be used individually or joined together for continuous runs. End Cap is easily removable for clean, hassle free continuous row mounting. Add a wiring harness for complete plug and play operation in continuous runs.
