

APPLICATIONS

This new Edgelit Flat Panel provides comfortable, abundant lighting from a very thin and modern design. The MFPELD features an internal driver panel. These panels are an ideal choice for many applications including offices and circulation spaces. It is also now popular in residential kitchen and bathroom remodels to create a skylight appearance.

FEATURES & BENEFITS

- ◆ 90% uniformity across the emitting surface
- ◆ High quality LED chips with 9000 hours LM-80 certification
- ◆ 50,000 hours long life
- ◆ High quality aluminum LED board for thermal dissipation
- ◆ 0-10V dimmable
- ◆ Earthquake clips included
- ◆ THD ≤ 17% PF ≥ 0.91
- ◆ Min CRI 80
- ◆ 5 year warranty
