

APPLICATIONS

The MPCV15 series is an 15" conical vandal resistant fixture that can be mounted on the wall or ceiling. It is designed to provide long life and high reliability in those applications where an extra level of protection and security is required. The housing can be mounted directly over a standard 4" outlet box or surface wired through 1/2" conduit entries. Suitable for wet locations, these lights are typically mounted 8 – 14 feet high.
