

### APPLICATIONS

Specification grade direct/indirect center diffuser luminaire provides smooth and uniform ambient lighting for all commercial and industrial buildings with recessed configurations. Reflected light from matte surfaces provide a softened "skylight" appearance to the modern office environment. Unique, dual curved lenses with center perforated basket or linear ribbed diffuser provides a luminous housing with excellent visual comfort. Light reaches higher in the space to eliminate the "cave effect".

### FEATURES & BENEFITS

- ◆ Center section is flush with outer panels, eliminating the dirt and debris from collecting
- ◆ One piece enclosure is mounted to one piece door frame
- ◆ Direct/indirect mimics "skylight" appearance
- ◆ Matte white reflective surfaces for soft, uniform light distribution
- ◆ Recessed perforated center diffuser with acrylic overlay
- ◆ ETL Listed

### SPECIFICATIONS

Housing is die-formed and embossed code 22 gauge steel. Luminaire body finish is high reflectance baked white enamel, with matte white reflectors. Wiring knockouts are provided on the back of housing.
