

APPLICATIONS

Convert an existing linear fluorescent fixture to a state-of-the-art LED linear fixture in minutes with this LED All-In-One Retrofit Kit. This great style of Linear LED fixture will not only increase lighting performance, save energy and reduce maintenance but provide a fresh new look for the space. The Chicklet Retrofit kit provides a luminous pillow styled lens for a highly diffuse light with a dramatic appearance. The kit mounts in minutes with all the LED components neatly engineered in one simple frame that mounts to two side rails that fit between the existing fixture body and the T-bar ceiling grid. It is available to retrofit 2x2 and 2x4 fixtures and a variety of wattages, light outputs and color temperatures
