

### APPLICATIONS

Premium grade, designer, shallow, surface mounted wraparound luminaire. For use in indoor applications where aesthetics and quality are important, such as kitchens, recreation rooms, nursing homes, retail stores and office areas. Regressed housing provides a floating look.

### FEATURES & BENEFITS

- ◆ Mounts over electrical junction box.
- ◆ Mounting holes are provided within offset to prevent distortion of housing when tightening mounting fasteners.
- ◆ Sufficient knockouts are provided on the back for all connections and through wiring.
- ◆ Specially formed plastic diffuser produces a flawless light source with even illumination on all sides
- ◆ Invisible hanging clips
- ◆ 80+ CRI
- ◆ Every fixture is individually tested
- ◆ **ETL** listed for damp locations

### SPECIFICATIONS

Die formed and spot welded, 22 gauge cold rolled steel housing. Spot welded for rigidity and clean appearance. Driver cover snaps into place eliminating the need for tools when accessing the driver. Diffuser hinges from either side in a lift and shift manner and is self centering. Specially formed plastic diffuser produces flawless light source with even illumination on all sides and no distracting dark spots. Invisible hanging clips permit removal of lens from either side. Listed by and bears **ETL** label.
