

**APPLICATIONS**

The Reverse Bath Bar diffusers can be used with a standard 2-Lite strip fixture, to provide an economical, energy efficient, yet contemporary luminaire.

**FEATURES & BENEFITS**

- ◆ 1 or 2 lamp positions
- ◆ Sufficient knockouts are provided on the back for all connections and wiring.
- ◆ One piece 100% acrylic for a fully luminous light source
- ◆ Can be mounted horizontal or vertical
- ◆ UL Listed for damp location

**SPECIFICATIONS**

All metal parts die formed from heavy gauge cold rolled steel housing to insure uniformity and dimensional stability.

**ORDERING DATA**
